We do what we do because we love animals.

Welcome to Heathers Pet Care Newsletter

Newsletter 11 October 2012

Heather's Pet Care aims to provide the highest level of care for your much-loved animals. We are an alternative to kennels and catteries.

About Us

Heather's Pet care was founded in 2007 by Heather Thomas. Heather's Pet care is run by Heather Thomas. Heather is dedicated when it comes to animals. Heather decided to start a Pet care service for those of you that do not like kennels and catteries and also for those of you that work full-time and still want your pets to get the best.

Since 2011 we have been building up a team of pet sitters and dog walkers across Bristol and Bath. All of our team are police checked, fully trained and have to complete an animal first aid course. Details of your nearest pet sitter are overleaf.

Favourite dog walk this issue...Bannerdown Bath

We have been using Bannerdown since the move to Bath, It's a great very dog friendly place for the dogs to run and play. Bannerdown has fields to romp around in and the woods to keep the dogs stimulated. There is parking right before the gate and many different directions that you can walk in. Bannerdown is right on our doorstep for our Bath base and is enjoyed by all of the dogs; plus we love it too.
